Wearlane launches "Nightlife" line

The folks that brought you campus-centric Wearlane T-shirts want to let you know they're still around after football season. And they're ready to party.

Wearlane designs revolve around the "Lane Ave" street sign, and the new "nightlife" line shakes things up a bit by enlarging the letters, rearranging them a bit and throwing them on a bright-colored tee for in-your-face campus pride.

"I'm excited because to me they are a fun departure on our other designs, but still within the 'for those who have been there' experience!" Raj wrote in an e-mail.

You can find the new shirts, available in both green and purple, [here](#) -- in addition to the original scarlet and grey tees and a "Court Street" line for OUsers.
